

## Ocean Medical Center Emergency Services

### Two convenient locations with one exceptional level of care

At Ocean Medical Center, we are committed to providing our community with the finest emergency care. Whether it's at our main Emergency Department at Ocean Medical Center in Brick or at Ocean Care Center in Point Pleasant, we are available **24 hours a day, 7 days a week, close by whenever you need us.** A life-threatening condition that causes severe symptoms or puts your health at serious risk requires a visit to the Ocean Medical Center Emergency Department. As New Jersey's first designated satellite emergency department the Ocean Care Center provides an alternative location that is equipped to handle any emergency for which you might otherwise go to a hospital emergency room. Ocean Care Center is a qualified free-standing emergency department, with no appointment necessary.

Ocean Medical Center is pleased to offer you a way to quickly compare the types of emergency services that we provide, so you can feel that you're choosing the best location that fits your emergent needs.

**If you are having a life threatening emergency, call 911 immediately!**
